The Honorable Nancy Pelosi Speaker United States House of Representatives 235 Cannon House Office Building Washington, D.C. 20515 The Honorable Kevin McCarthy Republican Leader United States House of Representatives 326 Cannon House Office Building Washington, D.C. 20515

Dear Speaker Pelosi and Leader McCarthy:

As labor organizations representing millions of workers in the U.S., we urge you to renew Temporary Protected Status (TPS) designations and pass legislation in the U.S. House of Representatives as soon as possible. Congress should act no later than the first 100 days of the 116th Congress to provide permanent protection and a path to citizenship for Dreamers and individuals with TPS or Deferred Enforced Departure (DED).

As you know, there are large numbers of TPS holders and Dreamers in the United States. Many of these individuals are valued members of our unions and our labor community. They work in construction, restaurants and food service, meatpacking and food processing, childcare, grocery stores, schools, and many other industries in which we represent workers. They are homeowners, and parents to over hundreds of thousands of U.S. citizen children.

Deportation of TPS holders and Dreamers, who are experienced and have an expertise in their jobs, would be devastating to the U.S. economy, as well as harmful to our organizations. While courts have recently acted to protect TPS holders and Dreamers, those protections are only temporary. We must pass legislation to provide permanent protections to these valued workers.

When TPS holders and Dreamers are at risk, all workers are more vulnerable to employer abuses. However, when workers, including TPS holders and Dreamers, have legal status and rights, all workplaces benefit from higher wages, safer workplaces, and the right and ability to form and join a union.

Last year, bills to provide permanent protection and a path to citizenship for TPS holders and Dreamers had the support of a majority of the Members of the House of Representatives. On behalf of the undersigned unions, we call on the House of Representatives to act immediately to enact such legislation to save these valued members of our labor organizations and the general community.

Please contact Danielle LeClair at dleclair@liuna.org with any questions.

Sincerely,

AFL-CIO American Federation of Musicians The Honorable Nancy Pelosi and The Honorable Kevin McCarthy March 4, 2019
